Find Information On Adventure Sports on Maps of World

New Delhi, 8th February 2008: MapsofWorld.com launches an exclusive section on Adventure Sports, which presents a comprehensive list of various adventure sports that are played in far and remote corners of the world.

Popular games that feature on the index page of this section include scuba diving, cave diving, surfing, snorkeling, white water rafting, freestyle motocross, ice climbing, canoeing, kayaking, motor sports, mountain biking, river rafting, snowmobiling and adventure racing. Adventure Sports also features a few not-so-popular but interesting games like Amateur Radio Direction Finding, Abseiling, Orienteering and Flowboard.

Each game has been dealt in detail - information on venue requirements, stipulated number of participants, game rules, refereeing, etc. has been included in these pages. One can also get an idea about the popularity of each sport in different regions of the world.

Skiing and Formula One racing have been listed in a separate category. It is a one-stop destination for all adventure loving people around the world.
