INFORMATION ABOUT LEGENDARY MAP MAKERS ON MAPS OF WORLD

New Delhi, 12th February 2008: One of the latest endeavors of MapsofWorld.com, the Legendary Map Makers section available online provides detailed information about the cartographers famed for their skills in map-making. Accurate information and minute details about the map makers are available on this site.

Map Makers across the world have contributed immensely to the science of cartography as map making has been an active endeavor since ancient times. The consistent attempts to chart the geographic features of the earth has been of considerable interest to many scholars and explorers.

Detailed information about the Legendary Map Makers available on MapsofWorld.com provides users an insight into the life and times of the map makers as well as their contributions towards cartography. This information has been categorized under different sub-headings which are as follows:

- Map makers of the Ancient world
- Map makers of the Medieval world
- Map makers of the Modern world
- Contemporary Map Makers
- Online Map Makers

These different categories of Legendary Map Makers make it easier for one to find information about any particular map maker or get an overview of the map makers of a particular era. It also gives one a comprehensive idea about the development of cartography through ages.

Especially helpful for students, scholars and those looking for accurate information about these geniuses, the Legendary Map Makers section is a helpful guide for all.
