## KNOW YOUR WORLD IN A FUN WAY

### World Map Games Launched by MapXL Inc.

Geography does not appeal to you? Or think you know everything about the world? Or just want to try your hands on knowledge based games? Take a crack at the World Map Games (<http://www.mapsofworld.com/games/>) by MapXL Inc. These fun filled games, replete with knowledge on world geography, are a great way to know the world. The innovative format and attractive graphics help you learn geography and world lessons in an interesting way.

Some of the Map Games:

**Map Games of the US** – The US based scramble game, it helps you get acquainted with the location of various states of the United States of America.

**Map Game Canada** – Know the ins and outs of Canada geography by aligning the jigsaw puzzle of Canada map.

**Map Games of Africa** – This map teaser on Africa helps you improve your knowledge on the location of various countries of the continent.

**India Map Games** – Join perfectly the puzzled pieces of Indian map and see how much you know about the states and territory of India.

**Map Game of Europe** – Embark on a virtual expedition to Europe with this Europe map game.

**Know Your World** - Remember the names of the shown countries in just 10 seconds and test how sharp your memory is.

The section also includes games on Germany, France, Australia, China and other countries of the world. These map puzzle games will make the boring geography map lessons interesting and much more easy to learn, says Mrs. Usha Vidhya Sagar, Assistant Vice President, MapXL Inc. According to her, special attention has been paid to the psychology and learning power of the students while developing the game. The Map Games are equally appealing to the adults who want to have in-depth knowledge about the world geography, concludes Mrs Sagar.
