

Discover the World with the Power of Knowledge

The best way to learn is to learn a little at a time. Know and learn everyday one interesting fact about this amazing world with [Knowledge Byte](#). From students to the veterans, kids to senior citizens, this informative application has useful facts for everyone. Available online as well as through e-mail, Knowledge Byte offers the known and lesser known facts of the world for you. Register yourself to get a daily dose of knowledge in your mailbox.

An initiative of [Maps of World](#), Knowledge Byte opens the doors of knowledge for you. “The Universe is full of knowledge and Knowledge Byte is a step to bring that knowledge for you in an easy and enticing way”, says Mani Singh, President MapXL. The application has been so developed to improve your knowledge in a gradual way, he adds further. From history to science, geography to music, world leaders to the common man, Knowledge Byte makes you aware about anything and everything in the world. Knowledge at your fingertips today means world is your oyster tomorrow. Improve your knowledge quotient and conquer the world with your power of knowledge.

If you are a knowledge enthusiast and want to know more at a time, there is an archive section for you. The section archives all the knowledge bytes sent to the subscribers since the launch of the application till date. Just click on the specific date, and knowledge byte for that day will be there in front of you.

[Subscribe](#) to start your day with a bliss of knowledge
