

## Oriental Pearl TV Tower, Shanghai

---

Oriental Pearl Tower is a must visit tourist attraction in Shanghai

The **Oriental Pearl TV Tower** is a popular tourist spot in Shanghai. The oriental culture is reflected in its style and architecture. The body of the tower comprises one delicate sphere that is small in size as well as two large glittering spheres. The upper sphere offers a panoramic view of the city. The level from which sightseeing can be enjoyed in the upper sphere is 263 meters in height and 45 meters in circumference.

There are several characteristic features of the Oriental Pearl TV Tower in Shanghai. This includes the 11 spheres in the structure that are of varied sizes. These spheres are placed on different levels, hanging from above and falling down on to the green lawns, looking like precious stones being dropped on a green plate.

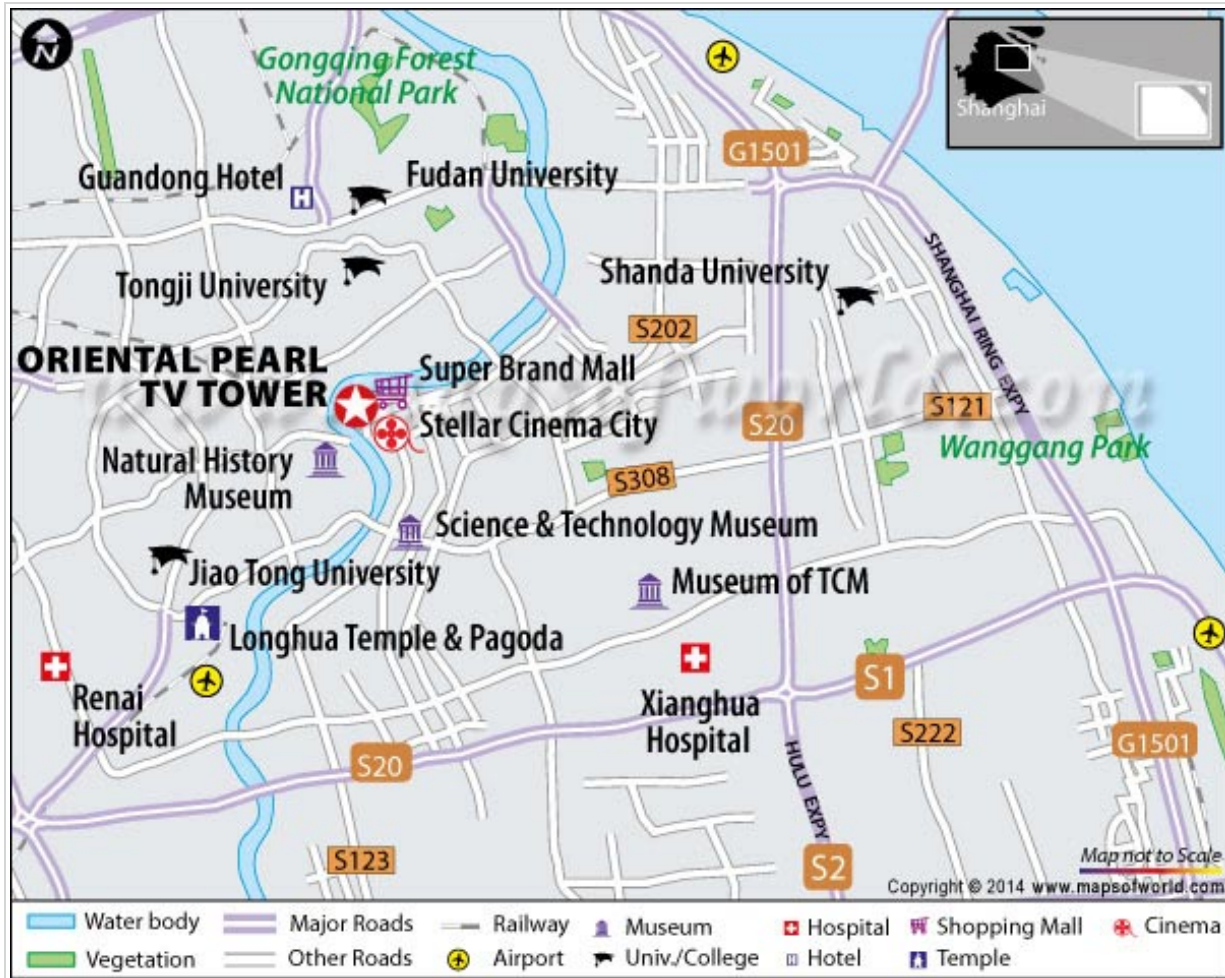

A science fiction city is located inside the architectural base of the Oriental Pearl TV Tower, Shanghai. There is a space city inside the lower sphere of Oriental Pearl TV Tower. You would enjoy strolling in mid-air along the unique, one-and-only, all-glass paneled, 360° observatory in the world.

At the Shanghai history museum, you can gain knowledge about the development of Shanghai via the multi-media exhibition.

The other facilities offered at the tower include shopping, accommodation, catering, broadcasting, recreation and TV transmission. There is a revolving restaurant in the upper sphere that revolves once in every hour. Visitors can also enjoy a pleasant time at the piano-bar and, the disco ball inside the tower.

The tower also offer cruising tours with its three cruises that offer extraordinary sightseeing decks, and spacious and comfortable sightseeing cabins.
